

House Type Approval Certificate

Certificate No: **STAS/10/001/DM29/06**

Date: **12 January 2011**

A	Certificate Holder: Name: REDROW HOMES Address: REDROW HOUSE ST DAVID'S PARK FLINTSHIRE CH53RX E-mail: gary.markham@redrow.co.uk	01244 520044
----------	---	---------------------

B	House Type Titles: Description: Redrow Standard House Type	Crossford
----------	---	------------------

C	The system type has been assessed on the following drawings and specifications: See attached annexe to this certificate
----------	---

D	Climatic conditions: The design may be built in areas where the climatic conditions are equal to or less than those detailed below: Important Exclusion Note: All structural elements are excluded from this STAS Type Approval Certificate. Such matters are dealt with through the site specific building warrant application – see Condition 7 under Section E below.	
	Wind: (as defined in BS 6399-2)	Standard effective wind speed, V_e = For maximum effective height = Has funnelling been considered? 24 m/s 9.5 m Yes
	Wind: (as defined in CP3: Chapter V)	Design wind speed, V_s = (relevant to the building frame, at a height of 3m or less) m/s
	Snow: (as defined in BS 6399-3)	Site snow load, S_o = Influenced by adjacent buildings? 1.0 Kn/m2 No
	Resistance to moisture/durability of exposed elements:	Max exposure (to wind driven rain) grading, as defined in BRE Report – Thermal Insulation: Avoiding Risks, Second Edition, 1994, to be exposure zone: Exposure to sea spray (i.e. coastal region) or de-icing salts? Other air contaminants or biological factors – please specify any enhanced resistance if applicable (refer to BS7543 for guidance) Exposure Zones 2, 3 and 4 No
	Design Life: (per BS 7543 – Durability of buildings and building elements, products and components)	Category of building design life = Design life of primary building envelope 50 years 50 years

E	Conditions of certification:
	<ol style="list-style-type: none"> The design shown and the specifications and materials referred to have been assessed and approved in accordance with the Building (Scotland) Regulations 2004 and in accordance with the supporting guidance in the Domestic Technical Handbooks which came into force with effect from 1 May 2009. NOTE: This assessment and approval DOES NOT take cognisance of the Domestic Technical Handbooks which came into force with effect from 1 October 2010. The certificate shall be valid until invalidated by formal notice by the Scottish Association of Building Standards Managers This approval is issued on the basis that the layout of principal living level shall permit the formation of an accessible shower room at a future date either in a separate, enclosed space of a size, either alone or by incorporation with the accessible toilet, as is specified under clause 3.12.3 to Standard 3.12. Such future accessible shower room shall not compromise "other floor area needs and manoeuvrability needs" within the apartment or the dwelling. The design shown and the materials specified shall not be changed without reference to the Scottish Association of Building Standards Managers responsible for certifying the system. Where reference is made on a plan or specification document to any Code of Practice, British or European Standard or manufacturer's instruction it shall be construed as a reference to such publication in the form in which it is in force at the date of this certificate. This certificate should not be regarded as a formal approval under the building warrant process prescribed by the Building (Scotland) Act 2003 enacted from 1 May 2005 The Bett Associates Calculations dated October 2010, referenced here under Section H, confirm that a structural appraisal has been carried out and confirms that further site specific information MUST BE made available when a site specific building warrant is sought. Such additional information should take cognisance of Procedural Guidance on Certification including information to be submitted with a Building Warrant Application dated April 2010 Version 2. Confirmation of a holistic approach to structural adequacy of the entire completed building shall be provided by a registered engineer to the local authority within whose area the site specific dwelling is to be built.

Annexe of drawings, certificates and specification documents used in the assessment:

F	Drawing Number:	Description:
	General Design Drawings and Specification	
1.	Crossford SCTH136-1-000	Register
2.	Crossford SCTH136-1-101(D)	Indicative Drainage Layout
3.	Crossford SCTH136-1-201(E)	Structural Plan – Ground Floor
4.	Crossford SCTH136-1-202(E)	Structural Plan – First Floor
5.	Crossford SCTH1361-301(C)	Typical Section A-A
6.	Crossford SCTH1361-302(C)	Typical Section B-B
7.	Crossford SCTH136-1-401(F)	Elevations Brick - Elevational Code B1
8.	Crossford SCTH136-1-402(F)	Elevations Render - Elevational Code A1
9.	Crossford SCTH136-1-403(D)	Elevations Stone - Elevational Code H1
10.	Crossford SCTH136-1-501(B)	Details – Staircase 1 of 2
11.	Crossford SCTH136-1-502(C)	Details – Staircase 2 of 2
12.	Crossford SCTH136-1-601(C)	Services Layout – Ground Floor
13.	Crossford SCTH136-1-602(C)	Services Layout – First Floor
14.	Crossford SCTH136-1-640	Central Heating – Ground Floor (Wavin)
15.	Crossford SCTH136-1-641	Central Heating – First Floor (Wavin)
16.	Crossford SCTH136-1-642	Hot and Cold Water – Ground Floor (Wavin)
17.	Crossford SCTH136-1-643	Hot and Cold Water – First Floor (Wavin)
18.	Crossford SCTH136-1-644	Internal Drainage Layout (Wavin)
19.	Crossford SCTH136-1-650(B)	Heating, Plumbing and Schedule (Myson)
20.	Crossford SCTH136-1-651(A)	Heating Layout – Ground and First Floor (Myson)
21.	Crossford SCTH136-1-652(A)	Plumbing Layout (Myson)
22.	Crossford SCTH136-1-653	Plumbing Layout (Myson)
23.	Crossford SCTH136-1-701	Layout and Elevations – Cloaks and Laundry
24.	Crossford SCTH136-1-702(C)	Layout and Elevations – Bathroom
25.	Crossford SCTH136-1-703(B)	Layout and Elevations – En-suite
26.	Crossford SCTH136-1-750	Layout - Kitchen
27.	Crossford SCTH136-1-751	Upgrade lighting layout
28.	Crossford SCTH136-1-850	Ground Floor Activity Areas
29.	Crossford SCTH136-1-851(C)	First Floor Activity Areas
