

RD Certificate Number: EWWS513

IsoLohr extruded rigid polystyrene foam (XPS) floor slab insulation

Description

This is an assessment of the insulated floor slab shutter system by IsoLohr, a formwork system for the production of thermally insulated foundation slabs. The product consists of high-grade Styrodur® CS, an extruded rigid polystyrene foam XPS.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English, Welsh & Scottish Building Regulations. LABC Warranty also accepts its use when installed and used in accordance with the Scope and Conditions of the Registered Details Certificate and in relation to LABC Warranty's current Technical Standards.

Registration was first issued on 29/05/15 and is valid until 29/05/16 providing there are no amendments to applicable regulations.

Issue dated 29/05/2015
